WHY BECOME A MEMBER OF A SPORTS CLUB?

- I can take part in everything offered by the sports club
- I am insured against sports accidents
- I belong
- I can take part in forming „my sports club“

WHAT DOES A SPORTS CLUB COST?

Members of the sports club regularly pay a small contribution to the club. These contributions are graded and differ depending on age and family size. The size of the club and the sport also play a role.

The club manages the money and uses it to pay:

- Fees for sports halls / sports grounds
- Trainers and instructors
- Sports equipment
- Costs for tournaments
- Accident insurance

SPORTS IN CLUBS – WHO LEADS THE SPORTS COURSES?

- Trainers
- Instructors
- Sports teachers

All of them specially trained for their sport and target group. They don't receive any money - or just a small amount as compensation for their time -> they work „voluntarily“ for the community.

HOW DO I FIND MY SPORTS CLUB?

Bavaria has around 11,500 sports clubs. They are in every town or city. Information about the locations and sports offered are available at www.bewegungslandkarte.de and from:

- Your local government
- Your local sports department
- Your school
- Your social worker
- The Internet
- The „Landessportverband“

SPORTS CLUB – HOW CAN I PARTICIPATE?

Trainer, instructor, and sports teacher:

Anyone can complete the training to lead club sports groups.

Players and active participants:

Every club member can participate actively in the club's sports groups.

Volunteers:

Every club member can be involved actively in the sports club, for example as a:
